SPECA BACK TO SCHOOL

Gap finder

Get the topic list from the school. For each subject, tick how much of what the class is doing now your child has already met. A gap is not a failure: home learning and school often teach things in a different order.

Subject	Covered	Partly	Not yet	Topics to check
	☐	☐	☐	
	☐	☐	☐	
	☐	☐	☐

Three topics to start with

#	Subject	Topic	Where we will practise
1			
2			
3			

How to choose: pick topics ticked Partly or Not yet. Start with the ones that other topics build on, and the ones the class is doing now. Three is enough for the first month.
