SPECA BACK TO SCHOOL

Questions to ask the school

For a first meeting, a phone call or an email before your child goes back. Write the answers on the lines. You do not need to ask them all at once.

Who we are speaking to: _____ **Date:** _____

1. **What is the class studying now, in each subject?**
   Ask for a topic list or a term overview if there is one.

2. **What has the class already covered, and where might my child have gaps?**
   Could the school do a short check in each subject and share what it finds?

3. **Is a phased return or a reintegration plan possible?**
   For example shorter days or a slower build up.

4. **Who is our named contact, and how do we reach them?**
   A form tutor, head of year or SENCo. Ask for an email address.

5. **Who can my child go to if they feel overwhelmed in the day?**
   Is there a quiet place, or a signal they can use?

6. **How much homework is expected at first, and what can wait?**

7. **How does SEN support work here, and are access arrangements worth looking at?**
   Only if it applies to your child.

8. **When can we meet again to see how it is going?**

Short on time? Ask questions 1, 3 and 4 first. Ask for an email address, so the rest can be answered later.
