# Blurt it

Step 1

**Name** _____ **Date** _____

1. Cover your notes and put your phone face down.
2. Set a timer for 5 minutes.
3. Write down everything you remember about UK physical landscapes: facts, key words, processes, and your case studies and examples. Diagrams and sketch maps count too.

**Stuck? Start with one of these:** upland · lowland · river system

**When the timer ends, turn over and check what you remembered.**

# Check it, fix it, space it

Steps 2, 3 and 4

## Check it

Tick each idea you wrote down, even in your own words.

- [ ] Uplands, with high and rugged relief, are mostly in the north and west of the UK
- [ ] Lowlands, with low and flat relief, are mostly in the south and east
- [ ] Upland areas include the Scottish Highlands, the Southern Uplands, the Pennines, the Lake District and the Cambrian Mountains
- [ ] Lowland areas include East Anglia and the London Basin
- [ ] Major rivers include the Severn, the Thames, the Trent, the Tyne and the Mersey
- [ ] Know roughly where each major river starts and which coast it reaches

Key words to use: upland · lowland · relief · drainage basin · river system · watershed · source mouth

**I remembered _____ out of 6.**

## Fix it

Pick 3 ideas you missed. Look them up, then write each one correctly.

1

2

3

## Space it

Blurt again on a fresh sheet. Gaps help you remember for longer.

**Tomorrow**
Date _____
Score _____ / 6

**In 3 days**
Date _____
Score _____ / 6

**In a week**
Date _____
Score _____ / 6
