SPECA MOCK RESULTS PLAN

Questions to ask the teacher

For parents' evening, a phone call or an email after the mocks. Use one sheet per subject and write the answers on the lines.

Subject: **Teacher:** **Date:**

1. **Which topics lost the most marks?**

2. **What grade is this work closest to now, and what would move it up?**

3. **Could we see the paper, or the feedback, at home?**

4. **Is the tier right?**
   Maths, Science and some other subjects have Foundation and Higher papers.

5. **What is the one thing to practise at home before the next test?**

6. **How are homework and classwork going?**

7. **Is the school considering any access arrangements, and could they be tried in the next tests?**

8. **When is the next test or mock, and how will we hear how it went?**

Short appointment? Ask questions 1, 2 and 5 first. Bring the mock paper if you have it, and ask for an email address if you run out of time.
