SPECA MOCK RESULTS PLAN

Three reds per subject

A red is a topic where most marks were lost, or one your child says they do not get yet. Pick three per subject, from the mock feedback or a red, amber, green checklist. Be specific: "equations with brackets", not "algebra".

Subject	Red 1	Red 2	Red 3	Week 4: rate again

Where to practise for free: checklists at speca.co.uk/gcse-revision-checklists.
Topic pages and games for Maths, Combined Science, Geography and English Language at speca.co.uk/resources.

Week 4: circle R, A or G for each subject. Still red? Ask the teacher what to try next. Gone amber or green? Pick the next three.
